

September is Senior Month!!!

Do you have a pet that is over the age of seven that you would like to make sure has all of the health care he or she needs as they go into their senior years? In honor of *Senior Wellness Month*, we are offering our Senior Packages with a \$50.00 discount.

Be sure to grab a brochure or ask a staff member for more information and pricing on your pet's **Senior Package**

- The senior package is designed to identify problems early and initiate preventative health care measures.
- Diagnostic tests help establish a normal baseline values for your pet, creating a point of comparison for the future.
- Early detection of disease often gives us more effective and less costly treatment options!
